

## **Algorithmic Trading Club Officer Positions**

Please note UW RSO guidelines state only current UW-Seattle students are allowed to become officers. However, if you aren't a UW-Seattle student, but is employed in this industry and still want to be involved, you are welcome to become an affiliate, and if so, please contact me at [shilewen@uw.edu](mailto:shilewen@uw.edu). Furthermore, any questions can also be directed to the same email.

To start your application process, please email me with "ATC Officer Application" or DM me on my other social medias and include anything tell me about you and what you can bring to the role. Feel free to include any relevant links. The earlier you apply to be an officer, the higher chance you will get the role.
